

NCRAL 2008

Astronomy By The Lake

Welcome to Port Washington! Port Washington is a growing community of approximately 10,000 residents situated on the shores of Lake Michigan. It is known for its quaint “fishing village” atmosphere, with fun shops and many dining options. The harbor area in the downtown has plenty of space for you to walk, watch the boats, and fish. Fishing charters are popular.

If you plan on going to downtown Port Washington, please be advised that there is construction on the main road through town. Follow the detour signs. All downtown businesses are open.
